Foreword

Bowling is one of the most healthful indoor recreations; it exercises every muscle in the body, teaches one to be accurate and develops a resolute control of arms and legs. It gives recreation, diversion, pleasure and healthful exercise to more people than any other sport for every month in the year in that it is primarily a game for participants.

Great strides have been made in the growth of the game nationally since the organization of the American Bowling Congress, and also locally since our own Association was formed.

Only through your co-operation is it possible to make this book complete in its information and items of interest to you, and its aim is to help you know bowlers and bowling better in the Louisville area.

In this 1965 Edition of the Year Book, names of bowlers are listed alphabetically, showing the highest average for the season of 1964-65. All are based on 21 or more games as per our rules. Preceding the averages (in the blue section) is a code identifying the league and lanes where the average was established.

All material, cuts, and wording used in ads were submitted by the advertisers, and in no way reflects the opinion of the publisher; nor should it be considered an endorsement by the Greater Louisville Bowling Association.

We wish to extend our sincere thanks to you, and want you to know that the energy, enthusiasm and constant loyalty which has made bowling what it is today, is deeply appreciated by the officers of your City Association.

GREATER LOUISVILLE BOWLING ASSOCIATION

DEDICATION

This, the twelfth edition of the Year Book, in printed form, is dedicated to John J. Martin, number one bowling sponsor in Louisville.

John has long been an enthusiastic supporter of local amateur sports. His unsurpassed record in sponsoring bowling teams includes some 300 teams this past season and in excess of 2100 teams over an 18-year span, as well as, many tournaments plus events for the handicapped. Sponsorship is not based on skill as there is a well rounded group of the beginner, the mediocre and the top flight in the Martin bowling group.

The bowlers of this area salute Johnny Martin, for surely there can be none who has not felt his influence.

EUGENE H. WELLS

President, Greater Louisville Bowling Association

Eugene H. Wells, Gene for short, was elected to the Executive Committee in May, 1958, assuming office on August 1 of that year. He became G. L. B. A. President on August 1, 1965.

Gene is 50 years old and a Life Insurance Supervisor for the Commonwealth Life Insurance Co. where he has been employed for 34 years. He is a trustee and steward at his church; also a United Appeal Captain. Hobbies include fishing, hunting, gardening, baseball, softball and 30 years of bowling with a lifetime high average of 189.

Bowling is a way of life in the Wells family as Gene's wife, Marjorie, as well as their daughter and son, are active participants of the game. They are tolerant of Gene's bowling activities which include Kentucky Vice President of the Southern Bowling Congress, Delegate to Kentucky State Bowling Association, Past President of L. J. B. A., Chairman of the Auditing Committee, Manager of the

City Tournament and Secretary of the 'Shamrock' McCarthy League for 14 years.

As President, Gene would be most gratified to see an entry of 1,000 teams in the City Tournament.

EXECUTIVE COMMITTEE — LIFE MEMBERS

To the Bowlers of the Falls Cities Area:

A year as President of the Greater Louisville Bowling Association has been a most interesting and rewarding experience. Whatever degree of success we have had in all aspects of our program this past year is due to the excellent cooperation of all officers and directors of our organization.

In addition to many hours of pleasurable relaxation, bowling has developed for me many lasting friendships, particularly in this past season.

Much success is my wish for our new President and I look forward to many more years of pleasant association in the Greater Louisville Bowling Association.

Sincerely yours,

JACK KOCH, Retiring President

A MESSAGE FROM THE SECRETARY

This marks the end of a most successful winter season. Soon to get started will be the Summer Season, which at this time seems to be about equal to last season. During the 1964-65 season, 650 winter leagues were sanctioned through this association with a membership of approximately 22,000.

This season, like the many ahead, has brought many challenges. One of which was the acceptance by American Bowling Congress and Women's International Bowling Congress as a joint responsibility to administer the American Junior Bowling Congress program. In a very short time, many things had to be done. First, our association along with the Women's Association got together and organized the Greater Louisville Junior Bowling Association.

With the help of the people that had been connected with the Junior program in the past and others that were interested in Junior bowling all working together, I feel that much progress was made. There were 50 A.J.B.C. leagues with a mem-

bership of more than 1,800 sanctioned by the Junior Bowling Association during the past season.

Also, the Junior Bowling Association conducted a city tournament, in which 105 teams, 175 doubles and 300 singles took part, where champions in six divisions were declared, two each, in the Senior, Junior and Bantam divisions.

With the many services furnished by the American Bowling Congress through local associations, such as materials and supplies for sanctioning leagues, tournament sanctioning, bonding, awards, testing, lane certification, field services and many more. One of the most expensive services that could be reduced, if everyone would be a bit more businesslike, and all concerned would be better off, is the bonding program.

You have heard or read so much about this program, your reaction will be "Oh no—not again." Yet when you look at the growing losses this past season where fifty per cent payments were made, sometimes less, it makes you wonder where the trouble lies.

For a league to qualify for full protection for Automatic Bonding, Burglary and Holdup insurance;

1. The funds must be deposited weekly in a recognized bank or credit union and in the name of the league.
2. The treasurer and one other officer of the league must co-sign for withdrawals.
3. The president of the league must verify monthly the balance in the account.

If the president is not a co-signer for withdrawals, his name must be identified with the account to make it possible for him to verify the amount on deposit. Most banks, where a checking account is used, would mail monthly statements to the president if proper arrangements were made.

During the past season several claims have been made through this association for misappropriating league funds. In most cases the presidents were suspended for not checking the bank account. At present there are several more cases pending for the same reason.

Should you need any help in getting your league sanctioned, or any problems that may come up, the G.L.B.A. has a representative at all establishments to assist you. Please feel free to contact him.

I would like to take this opportunity to thank you for your cooperation shown me during the past and extend my best wishes for a successful season.

Perry A. Cruse,
Secretary, G.L.B.A.

THE BOWLING FRATERNITIES

The following articles are of associations, clubs and organizations pertinent to the bowlers of the Louisville area.

As truly as bowling is a sport it is also social and civic in its embrace, thus calling for many diversified organizations to administer its many activities. The G. L. B. A. participates in many of these clubs and is always willing to advise or assist in the formation of any new ones.

LOUISVILLE BOWLING COUNCIL

The Louisville Bowling Council has been in existence since 1948. Its purpose is best described in the slogan of "Promoting harmony among all groups identified with bowling in general". The Council consists of four members each from the G. L. B. A., L. W. B. A. and the B. P. A. L.

A prime function of the council has been the Annual Crippled Children's Drive. Over a 17 year period these voluntary contributions have reached a grand total of \$91,014.81. The 1964 drive netted \$6,614.51 which was distributed to: Kentuckiana Chiropractic Center; Msgr. Pitt's Cerebral Palsy School; Kosair Crippled Childrens Hospital; Local Muscular Dystrophy; National Foundation March of Dimes; Southeastern Rehabilitation Center (Indiana) and the Joseph Rauch Memorial School (Indiana).

The Council also conducts a Bowlers Instructional School. These periodical seminars are held at various bowling establishments and are designed to aid, the bowler and the league officers alike, in proper bowling procedure.

Officers of the Council, elected for a two year period, are: Jimmie Chambers, Chairman; Frances Sehr, 1st Vice-Chairman; LeRoy Campbell, 2nd Vice-Chairman and Nellie Nau, Secretary-Treasurer.

KENTUCKY STATE BOWLING ASSOCIATION

Ashland In '65

The Kentucky State Bowling Association was officially organized in the summer of 1956. Its purpose to promote bowling in our State of Kentucky and foster good sportsmanship among our bowlers.

The K. S. B. A. and its attendant tournament has continued to grow in size and stature and has brought to the state a more common bond and a greater working knowledge of our favorite sport. The continued boom and ever-increasing installation of new lanes throughout the state calls for an even more important role for this Association.

At the annual meeting in Louisville the following officers were elected: Eddie Stewart, Ashland, President; Charles McNally, Prestonburg, 1st Vice-President; James Howard, Richmond, 2nd Vice-President; Robert Coleman, Hopkinsville, 3rd Vice-President; Carl Walden, Lexington, 4th Vice-President. All of these men were elected for a one year term, until the 10th annual meeting in Ashland on November 28, 1965. James D. Bradley, is the Secretary-Treasurer.

The tenth annual tournament will be held in Ashland on week ends of November 13th, 20th and 27th. The team events will be held at Paradise Lanes on U. S. 60 and the minor events at Blue Ribbon Lanes at 1108 Winchester Ave.

The K. S. B. A. had its third annual jamboree at Henderson on Saturday June 5th. The others were held in Louisville in 1963 and in Prestonburg in 1964.

SOUTHERN BOWLING CONGRESS

In Columbia, S. C. — In '66

The Southern Bowling Congress promotes and unifies bowling through 12 southern states. The 28th Annual Meeting and Tournament was held in Mobile, Alabama. This largest of A B C sectional tournaments drew entries of: 641 teams; 1604 doubles, 3208 singles and a prize fund that exceeded \$40,000.00.

At the meeting; John J. Borth, Jackson, Mississippi, was elevated to the Presidency. Gene Wells, Louisville, was elected Vice-President from Kentucky. Gene replaced Ed. D. Gardner, Paducah, who resigned because of illness. Ed was voted a S. B. C. Life Membership in appreciation of his fine work. Elected as Kentucky Directors were Max Weinstein, Louisville; Cecil Powell, Frankfort and Lloyd Terry of Owensboro.

The 1967 S. B. C. Tournament was awarded to Baton Rouge, Louisiana. It was voted to continue with the Classic Division, for the higher average bowler, which is similar to the A B C Tournament Regular Division. The Sterling Beer Team of Louisville has won the Classic Team Event two straight years.

The 1966 S. B. C. Tournament will be held in the fine city of Columbia, South Carolina. The tournament starts on March 5, 1966 and continues on week ends throughout the month. The tournament in Columbia again provides the bowlers an excellent opportunity to include a vacation trip with their bowling in a colorful tourist Mecca.

Paul Gregory, Tournament Director, extends all Louisville and Kentucky bowlers an invitation to the tops in fun and the best in bowling.

QUARTER CENTURY BOWLING ASSOCIATION

Home No. 5

The Quarter Century Bowling Association is an organization of male bowlers who participated in the game at least 25 years ago, either in open or league play. Its functions are strictly social so that the older bowlers, both active and retired, can perpetuate the pleasant friendships and experiences accumulated throughout the years.

The Association was formed in 1948 when the late Charlie Frank, Sr. enrolled some 40 charter members to form Home No. 5. They then elected George E. Graf, President; Newton Seibert, Vice-President and Matt Hillerich, Secretary.

There is no initiation or regular bowling and dues are \$2.00 a year. In April a Spring Party is held and in August an Annual Stag Outing. In December the membership convenes to elect new officers and have a Christmas Party. At all these functions food, refreshments and entertainment are always on hand.

Each year in November an Annual Singles Tournament is held for those members who care to participate. Winner of the 1965 Tournament was Eddie Pietras.

There are now over 200 members but room for those who care to join the 'Old Timers' and have a good time. Any eligibles desiring to participate should contact a membership friend or call any of the officers listed.

Officers for 1965 are: Louis Knowland, President; Raymond Weber, Vice-President and Secretary-Treasurer, Andy Kostolnik, Jr., 2302 W. Lee Street, Phone 778-1549.

BOWLING PROPRIETORS ASSOCIATION OF LOUISVILLE

In 1958 the Association was reorganized and incorporated in the State of Kentucky. The B. P. A. L. is an affiliate of the Bowling Proprietors Association of America. The aim of this organization is 'To Provide The Best Possible Service and Conditions For Bowling And Its Promotion'.

Through membership in the Bowling Proprietors Association, these programs are offered in appreciation to you, our customer.

COURTESIES OF THE LANES

Etiquette and sportsmanship go hand in hand in all forms of sports. Observing a few basic courtesies can add much to your pleasure and scores thus gaining you the respect of your companions.

- *The beginner should be helped, not ridiculed; a prospective bowler could be laughed out of the sport. At all times confine remarks to the bench.*
- *Turn scoremarking duties over to someone else BEFORE it is your turn to bowl. Others can be adept at keeping score as you.*
- *Be prepared to take your turn promptly. Meet the player ahead of you as he comes off the approach.*
- *Give right of way to bowlers already on approach. In event corresponding bowlers address the pins at the same time the man on the right should take the initiative.*
- *Get set for your shot, don't waste your time and everybody else's by useless posing or waiting until everybody in the establishment is off the approaches.*
- *After each delivery move to the rear of the runway. This assures players in adjacent lanes of no interference from you.*
- *The runways may not be exactly to your liking, but don't attempt to condition them yourself. The management is much better equipped to do the job.*
- *When the match is over leave the playing area promptly. Scores can be tallied away from the lanes and the next group of bowlers can start their games.*
- *Play the game to win, but be a gracious loser if you are on the short end of the count when the game is over. Bowling is a social sport.*

HOLY NAME BOWLING ASSOCIATION

The Holy Name Bowling Association was organized in 1939 under the auspices of the Louisville Archdiocesan Union of the Holy Name Society. From a modest beginning of 16 teams, the Association has grown to its large present day stature. It coordinates, regulates and promotes the activities of all of its affiliates.

The Association has just completed another successful bowling season, 1964-1965, in which old records fell and new records were made. The Association owes its success to the enthusiasm radiated by Chairman Tom Lenahan and Vice-Chairman John Wirth.

As in most ventures, seldom are those individuals who fulfill their given assignments, behind the scenes, given the proper credit they are fully entitled to. It is with grateful appreciation the Holy Name Bowling Association publicly acknowledges our Committee Chairmen and Committeemen for their untiring efforts and fruitful results, as evidenced during the past season.

In the Association sponsored Annual Sweepstakes the winner was the A. Division team sponsored by St. Vincent de Paul. Dye and Tonini of the L. Division took first place in the doubles department. H. Abell of the A. Division was the singles champ.

The eleven divisions of the Association met at the end of the season to determine the Grand Champions of team, doubles and singles. The team honor was copped by Federal Signs of the J. Division. Doubles Grand Champions were Ed Gittings and J. Brown of the O. Division. Singles Grand Champion was earned by Mickey Brown of the J. Division.

The Association is sincerely grateful to its many sponsors for their enthusiastic support, and hopes it will merit that continued support for many years to come.

UNION PRINTCRAFTS BOWLING ASSOCIATION

The Louisville Union Printing Crafts Bowling Association is an affiliate of the Union Printcrafts Tri-City Bowling Association, whose purpose is to promote an annual tournament and social gathering for union printers and their ladies. The affair rotates between the membership cities of Cincinnati, Louisville, Indianapolis in the order named. The 19th annual meet is in Cincinnati, in February, 1966.

A big attraction in these meets, besides the bowling, is the social activities. There is a dance, refreshment room, entertainment, banquet and other diversified affairs of interest. All this makes a two-day gala event. Expenses are met mostly through weekly dues which allows its members to attend tournament activities for a very nominal registration fee.

The local organization was formed from a bowling league which started in 1914 and is still in existence. In 1916 local members invited some Cincinnati members for match games and the result was the formation of the Union Printing Crafts Tri-State B. A. This eventually spread to some 15 cities in the Kentucky, Indiana, and Ohio area. Such a large tournament became cumbersome, so in 1946 Cincinnati, Louisville and Indianapolis formed the Tri-City Association which has proven well balanced, well co-ordinated and very successful.

Most certainly there is no local tournament which compares with the Annual Tri-City Meets insofar as local participation and social activities are concerned. These tournaments draw from 115 to 152 four-man teams. Each year the total registration, including the ladies, runs around 1,000.

The Louisville Association includes some 6 leagues and over 500 members. There were 80 Louisville teams in the 1964 meet held here. About 55 local teams enter the out-of-town meets.

Section 5. Entries for the Greater Louisville Bowling Association championships shall be accepted only from teams and individuals who are bona fide members of the Greater Louisville Bowling Association.

Section 6. Bowlers may roll in the five-man event only of the city tournament with as many teams as they are members. (See ABC Rule No. 330 governing city association tournaments.) When a bowler is a member of two or more five-man teams entered in the city tournament, his first score bowled in the five-man event shall count towards his all-events score.

Section 7. The Executive Committee shall have the right to award the Greater Louisville Bowling Association City Tournaments to any bowling establishment or establishments, which in their judgment might successfully conduct such tournaments. The Executive Committee shall also have the power to name all conditions surrounding the bowling of this city tournament unless otherwise instructed by the Board of Directors or expressly covered in these rules or by the ABC rules.

Section 8. Averages for use in the City Tournament shall be taken at a date set by the Executive Committee and shall be the highest average in any league on that date provided the bowler has bowled 21 or more games.

Any bowler having an average, said bowler being out of the game for a period of time, will not be permitted to bowl in any City Tournament, below his average, unless given an average by the Executive Committee of the Greater Louisville Bowling Association.

Where a bowler has no official average, 160 shall be the minimum average for use in the City Tournament. The City Tournament Secretary's office shall have the right to determine any bowler's average.

The AMERICAN BOWLING CONGRESS

what it means to you...

A membership organization devoted to the game of American tenpins . . . The number of men is now estimated to be 5,000,000 . . . it is the world's largest sports organization.

Striving always to the betterment of bowling, ABC legislates the rules and requirements for equipment in its leagues and tournaments. It supervises, it guides and serves all who compete in its more than 1,000,000 teams around the world.

ABC is non-profit, non-commercial.

It is honored. It is respected. Its rules are accepted wherever American Tenpins are bowled.

Its specifications are followed by manufacturers . . . its program of annual inspection and certification of alleys shows which bowling establishments meet ABC requirements.

This standardization of rules and equipment has been a distinct service to the game and the industry supplying its needs.

ABC spends \$5,000.00 each day of the year in service to its members.

Its annual award program costs \$350,000.00 alone . . . this includes awards for high individual games of 300, 299 and 298 . . . awards for seasonal high scores in team and individual classifications . . . awards for seasonal high scoring in each city association . . .

YOUR MONEY PROTECTED BY ABC BONDING PROGRAM

All league, city and state association officers are automatically bonded in the amount of \$5,000. Their funds are also insured against loss by burglary and hold-up. To obtain full coverage under these programs certain conditions must be followed in the handling of funds. These are:

1. The funds must be deposited in a recognized banking institution weekly in the name of the organization.
2. The treasurer and one other officer of the organization must co-sign for all withdrawals.
3. The president of the organization must verify monthly the balance in the account.

Under the bond only 50% coverage is granted if any or all of these conditions are not observed.

The burglary and holdup insurance covers one week's receipts up to \$1,000 and all authorized withdrawals to \$5,000. Unless funds are deposited in a recognized banking institution, the insurance company is liable for only one week's receipts.

ABC's HOME OFFICE

The national headquarters office of the American Bowling Congress (pictured above) was dedicated on April 25, 1952. This beautiful ultramodern building is located at 1572 E. Capitol Drive in Milwaukee, Wisconsin. An addition has been completed which more than doubles the original capacity of the building. It is here that the Congress' staff of 90 employees, under the direction of Frank K. Baker, ABC secretary, performs the many and varied services of the ABC.

Field offices are maintained in San Mateo, Calif.; New York City, N. Y.; Columbus, Ohio; Atlanta, Ga.; Dallas, Tex.; Portland, Ore., and another in Wisconsin in year-round service to Congress membership.

awards for every championship team in every league and city and state association tournament . . . and additional awards for special accomplishments including the Century Award.

Other services feature rule books and a variety of other "tools" essential to the creation and operation of leagues and tournaments. These "tools" include model league constitutions, schedule codes, average calculators and cards, handicap manuals, standing sheets, membership cards and many others.

The climax to every bowling season is the colorful ABC Tournament which attracts 25,000 to 40,000 bowlers each year and pays a prize list from \$300,000 to \$500,000. It is the world's largest participant sport show.

ABC's annual convention is held in conjunction with its tournament. Rule changes and policy plans are formulated by delegates from 2,000 city associations representing the leagues from local areas.

Delegates elect 75 officers and directors and a Secretary-Treasurer to administer ABC's business. With the exception of the Secretary, these officers serve without pay.

ABC publishes BOWLING magazine and provides a News Letter service on bowling events to the press and radio.

Founded in 1895, it was incorporated in 1903.

Thousands of inquiries on rules and other bowling problems are handled by the office each year. It originates 3,400 pieces of mail every day.

Editor's Note: For additional information on the ABC's awards program and services of ABC we refer you to any of the ABC's rule books. There you will find an outline of these services.

TEN LOUISVILLE TEAMS AT THE 1965 A.B.C. TOURNAMENT

Vic Bitter

Ten Louisville teams rolled in the 62nd annual A.B.C. tournament at St. Paul, Minn. And one of the bowlers, Victor Bitter, set a record for Louisville participation by competing in his 40th A.B.C. Vic previously had been tied with the late Tommy Owen at 39.

Lou Frantz helped give Louisville a major championship in the 1965 renewal by sponsoring and captaining a Thelmal Lanes team that won the professional Classic Division's five-man title with 6151 for six games. Other members of the team were pros from elsewhere.

The 1966 A.B.C. will be held in Rochester, N. Y., starting March 19. The '67 tourney is in Miami Beach and then, the following year, 1968, the A.B.C. will be comparatively close to Louisville when it comes to Cincinnati.

CARL A. RUSH

Director — American Bowling Congress

Elected to the Executive Board of Directors of the American Bowling Congress at St. Paul on April 4, 1951.

Represents the American Bowling Congress in Kentucky and Southern Indiana. His duties include assistance in the formation of City Bowling Associations and cooperation with existing associations in problems which might be referred to the American Bowling Congress.

He was first elected to the Executive Committee of the Louisville Bowling Association in 1933. Served in the various offices until 1940 when he was elected President for the 1940-41 season. After serving his term he was made a life member of the Association.

On the death of the late John L. Sullivan, then secretary, in December of 1951, he was appointed to serve as secretary of the Association for several months until W. Arthur Shanks was chosen. After Shanks' death he served as secretary until Perry A. Cruse was appointed. Following the retirement of Reece Doughty as treasurer, Carl was elected to that office in May, 1957 and resigned on April 16, 1962. In May, 1965 Carl was inducted, as a charter member, to the G. L. B. A. Hall of Fame.

Carl had charge of the local city tournament records from 1924 to 1957. On several occasions he has served as tournament manager. He was the first chairman of The Louisville Bowling Council, and still takes a very active interest in the G. L. B. A.

PIN FALL OF 1964-65

By KEN RUSH

Courier-Journal Bowling Editor

Rush

By far, the biggest single achievement of the year was establishment of a new Bowling Hall of Fame for the Louisville area.

Often discussed, the honor organization became a reality under the leadership of President Jack Koch and others of the Greater Louisville Bowling Association at the annual dinner meeting in May, 1965.

In its first year, the Hall of Fame received 30 nominations. Of these, 11 were chosen for induction — two living and nine deceased — by a 12-man committee (see Page 9). Others who have contributed to bowling here will be considered for membership during coming years.

Scoring, while down somewhat from the previous year, still continued high.

Left-hander Don Adams took the league average title with 207 but it was a close race with Lou Frantz. Adams had 207 plus 86 pins for 96 games in the Western Classic, while Frantz finished with 207 plus 74 for 150 games in the Thelmal Major.

Indicating how close they were otherwise, Frantz had 205 and Adams 204 in other leagues.

Pete Tomerlin shot a 760 to lead a list of 67 series of 700 or better. Jim Gipe was second with 751. Adams and Jack Campbell tied with most 700s at four each.

Three men rolled 300s in leagues — Charles Bowlus, Bob Hill and Max Weinstein — and an unusually large number of pinmen had near-misses. Closest were Ron Brauner and Mike Hostetler with 299s and Ernie Cannon, Leo Bogart and Alton Hahn Jr. with 298s.

The old triplicate record of 214 got a thorough going over, with Leroy Whalin, who averages in the mid-180s, setting a new standard of 224-224-224—672 in his league at Ken-Bowl Lanes. During the season, the old record was beaten three times and tied once.

As always, tournaments held top attention.

In the A.B.C. Championships at St. Paul, Louisville gained attention when a makeup team captained and sponsored by Lou Frantz captured the five-man championship in the professional Classic Division. The other pros were from elsewhere, but they put "Thelmal Lanes, Louisville" on top of the board at the finish.

Sonny Frantz added to Louisville prestige by placing third among qualifiers in the annual A. B. C. Masters Tournament. He bowed out, however, early in the finals.

The annual State All-Star had new winners and both were from Louisville — Ron Brauner and Pat Robinette, men's and women's champions. The state team handicap crown was won by captain Paul Carter's team from Frederick's Lanes.

In the 57th annual City Tournament, captain Fred Borcharding and his five-some scored the first repeat triumph in history by winning the team champion-

ship. For the first time also, two teams of blind and partially blind bowlers competed in the tourney.

There were other highlights also on the Louisville scene.

The second annual State Collegiate Tourney was held here, with increasing participation . . . New automatic devices were announced for practice spare shooting and scorekeeping . . . And the Professional Bowlers Association assigned Thelmal Lanes for a second straight stop on its summer tour.

Among the houses, a new center was added when 36-lane Rose Bowl opened. Against this, at press time, 12-lane Landohr, 12-lane Ideal Recreation and 8-lane Valley Lanes closed their doors.

People Who KNOW Good Printing Insist On The Label

This label is your assurance that the work was done by master craftsmen members of the five printing trade unions. It also is your assurance that the user's relationship with his employee is American.

By adopting the Union Label on your printed material, it will bear a message of good will, not only to the organized workers and their families in Louisville, but also to unorganized workers who realize that favorable working conditions are maintained only through the organization of the worker.
